We SHUFFLE to raise money for Parkinson's Disease research

## What's the Sully Shuffle?

The second annual Sully Shuffle will be hosted on September 19, 2010 to raise money for Parkinson's disease research. The Sully Shuffle is named after Skip Sullivan, a retired Oak Lawn High School teacher/coach, and an active member of the community. Skip has been fighting Parkinson's Disease for the last six years. His positive attitude and eternal optimism inspired this fundraiser. In its first year, the Sully Shuffle raised \$20,000 for the American Parkinson's Disease Association, Midwest Chapter. Come make this year's Sully Shuffle an even greater success.
